Copy to the A.D.L. Peace River.

OTTAWA, 30th July, 1928.

Sir,-

N.E. ¼ Sec. 21 Tp. 74 Rge. 17 West 5th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Acting Commissioner
of Dominion Lands.

Sir,-

N.E. 1/4 Sec. 4 Tp. 84 Rge. 21 West 5th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1928, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

John Lawlor, Esq.,

Sir,-

[illegible] Sec. 17 Tp. 74 Rge. 17 West 5th Mer

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent Session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1918, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of taking entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Sir,

Ottawa, 10th March, 1917.

Re Pre. Pal. 11-21-1-.4th
North of River.

I am in receipt of your letter of the 8th instant, with further reference to the homestead and pre-emption entries of [illegible], and in reply to your letter of the 3rd instant, I beg to advise you that the pre-emption entered in the name of [illegible] 74 and covering the pre-emption entered in the name of [illegible] contains 42 acres, and these fractions together contain the full quarter section.

In regard to the issue of scrip, I may say that some time will be taken to issue letters patent for the homestead in view of the fact that there will be some investment or administrative charges on the estate as advised in my letter of the 14th ultimo. These letters of administration will require to be taken out in the surrogate court of the district in which the land is situate and I would, therefore, suggest that you take the matter up with your solicitor.

DOMINION LANDS

MEMORANDUM

Mr. Hume:

Fr. N. ½ of 13-22-13, W. 4th M. North of River. Homestead and pre-emption entries of Mr. Percy McCorvie, deceased. Entries granted 26th December, 1914.

A certificate has been received from the Department of Militia and Defence setting out that this man was a member of the 5th Overseas Battalion, C.E.F., and that he was killed in action of the 6th of June, 1916.

The late entrant was a British Subject by birth.

There would appear to be no seed grain indebtedness outstanding against these entries.

The Orders-in-Council dated the 8th of May and the 20th of September, 1915, provide that when a settler has enlisted and dies while under enlistment, the Minister, the Acting Minister or the Deputy Minister may order patent to issue in his name without delay, without calling for the performance of any further duties and without requiring the heirs to take out Letters of Administration.

Mrs. D. H. Brown, mother of the deceased entrant, next of kin, has written the Department stating that she intends to go out and see the place and take out Letters of Administration, but before doing so she would like to know if she will be held responsible for any duties such as breaking up land and building a house or any other duties, other

than

than paying $3.00 per acre for the pre-emption.

Under the provisions of the Orders-in-Council above quoted, Patent, I presume, may now be issued in the name of the deceased entrant for the homestead and also for the pre-emption provided payment of the purchased price is made in full.

He had been shot through the necre and shoulder in April at Ypres. He Returned to the front on July 3rd. On Aug. 17th at Messines he was again shot through the right shoulder. He was in hospital two months and reported back to the regiment at Shorncliffe on October 15th. The bullet entered the back of the right shoulder and lodged in the neck. The humerus was fractured. The scars of the wound received at Ypres are also seen. The injury has left the shoulder stiff and the mobility of the joint is limited. There is also pain when he elevates the arm.

A.F.B. 179. 9-12-18

He has a very slight degree of varicose veins in the calf of the left leg on enlistment. This gave him no trouble whatever until about Oct. 1915 when he was discharged from Hosp. Began to drill again. The varicose veins increased in size - his leg began to become painful and weak and occasionally it would cramp. Has been unable to wear puttees since then. Scars from wounds cause no disability and. scar of neck is slightly keloidal but causes no disability.

MEMORANDUM

Mr. Hume:

N.W.¼ 10-56-8-W.5.M.
Homestead #[illegible]922 Pte. Benson Barker.
Entry Granted 19th September, 1913.

Mr. Barker wishes to obtain patent without performing further duties.

He enlisted on the 25th September, 1914, with the 13th Overseas Battalion, Canadian Expeditionary Force, returned to Canada on the 15th January, 1919, and was discharged on the 2nd March last as Medically unfit.

The residence conditions have been fulfilled by military service.

Please peruse the Medical History of this soldier which has just been received from the Board of Pension Commissioners for Canada.

In view of the length of service and the fact that Mr. Barker was wounded twice, I would recommend that he be allowed to apply for patent when he has broken 20 acres or the equivalent the ecf, and prepared a reasonable proportion of that area for seeding.

Sir,-

S.E. ¼ Sec. 19 Tp. 61 Rge. 21 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1918, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Sir,-

W.½ of Sec. 8 Tp. 71 Rge. 11 West 6th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting to those settlers, who had obtained patent, or who were entitled thereto on or before the 1st January, 1918, and elect to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or patented homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Thomas Howard Linsman, Esq.,

Mr. Greenway.

Re: Fr. S.E.¼ of 1..-61-12-..4th M.
S.C.-J.W. Holroyd.

As it would seem from the recent report of our Inspector that the lands immediately adjoining the soldier Grant are very boggy and entirely unsuitable for grazing, it has been decided as suggested in your recent memorandum to grant Mr. Holroyd supplementary letters patent for fractional legal subdivision 4 of Section 14, an area of 19.2 acres, on the understanding that letters patent are not to issue until Mr. Holroyd completes the terms of sale for legal subdivisions 3 and 5 which were sold to the entrant at the rate of $4.00 per acre.

Time Sale 10866.
Edmund Walker Holroyd.

The sale of the land above described to Mr. Holroyd was approved by the Deputy Minister on my memorandum of the 19th August, 1919, marked, subject to his earning title to his soldier grant entry covering the fractional S.W. ¼ of Section 15, adjoining, title for which was issued in his name in April, 1924.

It was decided to add fractional Legal Subdivision 4 containing 39.8 acres to Mr. Holroyd's entry free of charge. (Deputy Minister's memorandum of 12th January, 1925, marked on file 3027106 herewith) on the understanding that letters patent therefor would not be issued until he completed the terms of sale of the balance of the fraction.

Payment in full in connection with the remaining 38.3 acres of the fractional [illegible] of Section 14 having been made, I beg to recommend the issue of letters patent covering the whole area in the sale [illegible]. (Time sale and free grant)

Re: Account of Wm. A. Craig
R.L. #7, Shaftsbury Settlement, Alta.

The matter of an application for an adjustment of indebtedness [illegible] against the above mentioned party is referred to you, [illegible] Board to deal with such cases. Having completed an investigation [illegible] in addition to report as follows:

In 1918 fodder amounting to $140.00 was advanced to Wm. A. Craig on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 140.00	$ 239.75	$ 379.75

The R.L. #7 Shaftsbury Settlement was formerly the homestead entry of the debtor whose entry was cancelled in 1939, and is still unalienated Crown land held in the right of the Province.

In reply to our questionnaire of the 26th of April 1952, F.H. Wood, Director of Lands, Department of Lands and Forests, Province of Albert , wrote as follows:

"In reply to your letter of April 17th. I wish to advise that this land is held under grazing permit in the name of George R. McKenzie of Peace River and the homestead entry held by Mr. W.A. Craig on this land was cancelled in 1934.

It would not appear that there is any evidence on file to show that this land might be cultivated in the near future."

As the land no longer offers any security of value and is such that it is unlikely to be used again for farming purposes in the near future, it is recommended that the indebtedness be cancelled.

C.W. Gilchrist.

Re: Account of Ed. C. Lennard
M.E. 7-2-1-14

The matter of an application for adjustment of indebtedness outstanding against the above mentioned property is referred to you, considered as a bearing on the question in such cases. Having considered the investigation I am of opinion that the security for the amount due, viz. $110.60 was advanced by Mr. C. Lennard on the security of the land described in the margin and that no payment on account has been received since the date of his account as follows:

Principal	Interest	Total
$ 110.60	$ 203.19	$ 313.79

The M.E. 7-1-10-14 was formerly the homestead entry of Ed. C. Lennard whose entry was cancelled on the 22nd day of May 1916 and is still Crown land in the province of the province.

In reply to your letter of the 22nd of January 1952, V.L. Rod, Director of Lands, Department of Lands and Forests, Province of Alberta, wrote as follows:

"The above land is included in Grazing Lease No. 33508, which expires on the 31st of March, 1968. This land is outside of the irrigated area, and it is not likely to be used in the future for farming purposes."

As the land no longer offers any security of value it is recommended that the indebtedness be cancelled.

You will, of course, understand that it will also be necessary to corroborate your statement of the foregoing facts.

In reply to your letter of the 3th ulti o, I beg to advise you that the amount of principal $410.45 is correct. I find on investigation that a lien on file in this office dated the 20th January, 1911, had been stamped duplicate in error, evidently on the assumption that it was released by the lien dated the 20th April, 1911. Both amounts were supplied, however, and paid for by the settlement. Our records have been corrected accordingly.

Owing to an oversight, two accounts were opened in our ledgers for Edward Moncham, Folio 2 showing the S.E.7-11-11 W.4th and Folio 3 showing the S.W.31-12-10 W.4th. As one land is the patented homestead of Edward Moncham and the other his cancelled purchased homestead, the two accounts have been united under folio No.3. Kindly amend your records accordingly.

Re S.E.31-12-10 W.4th.
S.E. 7-11-11 W.4th.
Edward Thacker. File No.79549.

Sir:-

Edward Thacker was sold patent for the S.E.7-11-11 W.4th, and received certain seed grain and relief advances on the security of this land, $45.05, with interest from the 17th March, 1911, and $20.00 with interest from the 16th February, 1915. These liens, with a second registration of $20.00, are all that appear against title to the S.E.7. which now stands in the name of Edward Thacker.

Edward Thacker also held the S.E.31-12-10 W.4th as a purchased homestead, now cancelled, and secured seed grain, fodder and relief advances to the amount of $410.45 on the security of this land, but through an oversight the liens were not registered in the Land Titles Office, and therefore do not charge on the patented quarter, with the exception of one lien for $20.00 which is covered by the second registration of $20.00 above mentioned.

Would you kindly have an inspector, when in the vicinity, make a complete report showing the valuation of each quarter section, and also make a special effort to locate the debtor and collect.

Re: Account of Edward Meacham
S.E. 31-12-10-W.4

In the matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain, fodder and relief amounting to $411.43 were advanced to Edward Meacham on the security of the above mentioned land. A payment of $24.00 was received in 1919 and applied to the principal and interest. The present standing of this account is:-

Principal	Interest	Total
$ 391.03	$ 719.28	$ 1,110.31

The S.E. 31-12-10-W.4 was formerly the homestead entry of Edward Meacham on which security he obtained advances of seed grain, fodder and relief in 1915. His entry was cancelled on the 13th of October 1920.

This quarter section is still unalienated Crown land held in the right of the Province. It is under the jurisdiction of the Department of Lands and Forests and is presently included within a large grazing lease issued by them.

Since the land no longer offers any security of value and is such that it cannot be used for farming purposes, it is recommended that the indebtedness be cancelled.

C.W. Gilchrist.

Dear Sir:

Re: T. E. Muir - Seed Grain & Relief Liens.
W½ -19 - 1.. -10 W4th.
Municipal District of Sunny South.

In the years 1918 and 1919 this man obtained seed grain relief from the Federal Government and gave lien notes therefor which were registered against the W½ -19 -1.. -10 W4th. From a statement furnished by the Acting Commissioner of Dominion Lands, at Ottawa, Muir's indebtedness as at May 31, 1929, was as follows:-

Seed Grain -1918-	Principal	$124.50		
	Interest		69.53	Registered as 4050 B. U.
Seed Grain -1919-	Principal	116.30		
	Interest		82.43	Registered as 4049 B. U.
		$240.80	$151.96	
			$392.76	

Muir also obtained similar assistance in the year 1920 from the Municipal District of Sunny South #123, and as at December 31, 1920, his account stood as under:-

Seed Grain -	Principal -	$84.50	
	Interest		Registered as 5476 C.B.
		$52.26	
		$136.76	

He gave a lien note therefor which was registered against the NW. -19.

The NW.¼ was his patented homestead but was forfeited under Tax Recovery Act proceedings and title thereto is now registered in the name of the Municipal District, subject to the Federal Liens.

The SW¼ was his unpatented pre-emption, his entry to which was cancelled on May 11, 1925.

5409:30

E. J. Fream, Esq.

Muir has no interest in the land which lies within the Tilley East Area and is not adapted for farming or stock purposes. A Homestead Inspector reported in September 1925 that the land was lying idle and all improvements gone to wreck, also that Muir's last known address was Calgary. Later information obtained from another source was that Muir had been "gone for years, no one knows where", and there is, therefore, no possibility of collecting from him under his personal covenant. The account is classed as "Uncollectable".

I would recommend, therefore, that the foregoing amounts be written off in as far as the same affect Muir's indebtedness to the Federal Government and the Municipal District and the indebtedness of the Municipal District to the Province of Alberta.

I would further recommend that the Federal liens be discharged and released from all lands affected thereby.

Yours truly,

Acting Director.

TR/T.

24th September. 1925.

Re: Account of Thomas F. Stone
M.M. 13-1-10-W4

The matter of an application for an adjustment of indebtedness arising against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 fodder amounting to $[illegible].95 was advanced to Thomas F. Stone on the security of the above mentioned land. Payments of $45.00 and $27.85 were received in 1916 and applied to the principal and interest. The present standing of this account is:

Principal	Interest	Total
$ 37.87	$ 67.25	$ 105.12

The M.M. 13-1-10-W4 was formerly the homestead entry of Thomas F. Stone on which security he obtained an advance of fodder in 1915. His entry was cancelled on the 28th of May 1916, and was re-entered upon by a Mr. T.S. Muir on the 1st of June 1916 who was not required to assume the indebtedness of the former entrant. Patent was issued in the name of T.S. Muir on the 24th of October 1917, clear of the encumbrance and the indebtedness has since remained as a charge against the lienee under his personal covenant.

The whereabouts of the original debtor is unknown and it is considered that there is no possibility of collection.

As the lien was never registered against the land and there is no further security for our advance, it is recommended that the indebtedness be cancelled.

C.M. Gilchrist.

Sir,-

S.W. ¼ of Sec. 31 Tp. 75 Rge. 16 West 5th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting to those settlers, who had obtained patents for their first homesteads, and who did not become entitled thereto on or before the 1st January, 1930, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only [illegible] on which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of [illegible] relinquishment for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Sir,-

S.E. ¼ Sec. 27 Tp. 83 Rge. 22 West 5th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Burly Joseph Hanser, Esq.,

MEMORANDUM:

Request for Transfer of Dominion Lands.

Re: G. B. Mauro, No.808618,
S.W.¼ 18-40-14-W.4th M. - Hsd.

The above named settler secured advances from the Board totalling $6680, the Board taking a charge upon his unpatented homestead above described. Owing to such charge, patent to the homestead cannot be issued to the settler until his indebtedness to the Board has been fully discharged.

We are now in receipt of an application from Mr. Mauro requesting that patent to his homestead should be issued in favour of the Board. Mr. Mauro states that he has completed all duties in connection with his homestead and would be entitled to receive patent therefor were it not for our charge. This is confirmed by the letter from the Secretary of the Department to the settler, dated the 8th October, 1924.

In order to enable a settler to negotiate a sale of land in cases of this character, special Regulations were promulgated by the Board as approved by the Governor in Council on the 4th day of June, 1921,(P.C.1821), which enables the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented land held by him in the Board, title remaining in the Board until the settler's indebtedness to it has been repaid. Under the provisions of these Regulations, the Board hereby requests that the right, title and interest of His Majesty in the S.W.¼ 18-40-14-W.4th M. be vested in the Soldier Settlement Board. The Vesting Order covering same is attached hereto for the Minister's signature.

Respectfully submitted,
